## MEMBERSHIP DISCOUNT FOR ECONOMIC CLUB OF FLORIDA

Dear members of the Economic Club of Florida:

I was so pleased to have the chance to speak with you about Frank Lloyd Wright's legacy, and to celebrate the 150<sup>th</sup> anniversary of his birth. Your hospitality was warm, and I'm happy to have made some new friends in Tallahassee.

As we discussed, Wright's ideas are more relevant today than even in his own lifetime. There is still so much that we can learn from him about how to build and live better, and we will live in a better world as we share his ideas with new audiences and introduce his work to the next generation of innovation leaders.

Many of you expressed interest in coming to Taliesin West or visiting another public Frank Lloyd Wright site following our meeting. We'd love to help you do that, and to engage you in our work to advance Wright's legacy of innovation. I am happy to offer you a 15% discount on Foundation membership (in honor of the 150<sup>th</sup>). Depending on the level at which you join (and you are welcome to [join at any level](#) with the discount), you may be entitled to free admission at Taliesin West and other participating Wright sites around the country.

To become a member, please reach out to Kathy Kaats, our Membership Specialist, at [KKaats@FrankLloydWright.org](mailto:KKaats@FrankLloydWright.org) or call 480.627.5374. Let Kathy know that we met in Florida and she will apply the 15% discount. And let me know when you are coming to Taliesin West so that we can pick up our conversation where we left off in Tallahassee.

All the best –
