

Armando Pimentel

President and Chief Executive Officer

Armando Pimentel is president and chief executive officer (CEO) of Florida Power & Light Company (FPL), a subsidiary of NextEra Energy, Inc., and the largest investor-owned electric utility in the nation. He was appointed president and CEO in February 2023.

Previously, Mr. Pimentel served as president and CEO of NextEra Energy Resources, a competitive clean energy supplier and the world's largest generator of renewable energy from the wind and sun and a world leader in battery storage. NextEra Energy Resources operates three nuclear power plants in two states, and its parent company, NextEra Energy, operates one of the largest nuclear power fleets in the nation. Mr. Pimentel also previously served as executive vice president, finance, and chief financial officer of NextEra Energy.

Prior to joining NextEra Energy, Mr. Pimentel was a partner at Deloitte & Touche and held various client and leadership positions in the financial services and energy industries. He also led Deloitte's power and utilities business segment. From 1996 to 1998, Mr. Pimentel worked in the Office of the Chief Accountant of the U.S. Securities and Exchange Commission as a professional accounting fellow.

Mr. Pimentel holds a Bachelor of Science degree in accounting from Florida State University.

As America's largest electric utility, Florida Power & Light Company serves more customers and sells more power than any other utility, providing clean, affordable, reliable electricity to approximately 5.8 million accounts, or more than 12 million people. FPL operates one of the most fuel efficient and cleanest power generation fleets in the U.S and in 2022 won the ReliabilityOne® National Reliability Award for the seventh time in the last eight years. The company was also recognized by Escalent in 2022 as one of the most trusted U.S. electric utilities for the ninth consecutive year. FPL is a subsidiary of Juno Beach, Florida-based NextEra Energy, Inc. (NYSE: NEE), a clean energy company widely recognized for its efforts in sustainability, corporate responsibility, ethics and compliance, and diversity. NextEra Energy is ranked No. 1 in the electric and gas utilities industry in Fortune's 2023 list of "World's Most Admired Companies" and recognized on Fortune's 2021 list of companies that "Change the World." NextEra Energy is also the parent company of NextEra Energy Resources, LLC, which, together with its affiliated entities, is the world's largest generator of renewable energy from the wind and sun and a world leader in battery storage.
